

Palmerston and District Hospital Auxiliary is committed to providing financial assistance to students who wish to pursue studies in the health field.

Currently, there are two bursaries each valued at \$1,000 and are awarded to selected students meeting eligibility requirements.

Eligibility Criteria:

- Students must have a strong academic standing with a minimum cumulative average of 75% in their grade 12 year
- Students must be entering a health-related profession at an accredited college or university
- Students must be a full-time student, graduating from Norwell District Secondary School
- Students must demonstrate a commitment to their community

Bursary Application Form
